KINDERGARTEN HAPPENINGS!

January has been a very busy month in the Kindergarten classroom. The year is flying by! We have been counting down the days to the 100th day of school, and we are almost there! We will be having a Celebration on the 100th day of School. In Math, we have been working very hard on recognizing, counting, and writing our numbers 1-30. We are making very good progress! In Language Arts, we have been learning so much. We learned all of our letters and are almost done learning all of the letter sounds. Many of the students are now beginning to put sounds together to help them read and write some words. Social Studies is learning about Martin Luther King, Jr. The children are really enjoying this.

Please Remember:

1. Please continue to make sure your child is completing ALL of their homework every night. You may help them when necessary, but do not do it for them.
2. Please make sure you are reading with your child EVERY day. Your children are working very hard at school to sound out words. When you are reading with your child help them to do this.
3. On certain days, we will continue going outside for recess for 10-15 minutes to get some fresh air. Please make sure your child is coming to school with a coat, hat and gloves.

Thank you.. Ms. Huber
